Together

Truth . . . Knowledge . . .
 Unity . . . Love . . . Happiness .
 . . Success . . . An endless
 search for these things have be-
 come an important part of our
 lives as students and as future
 leaders of this country. The
 problems of today can and will
 be solved if we learn from yes-
 terday and think of tomorrow.
 So, take my hand, and we will
 search together.

Searching

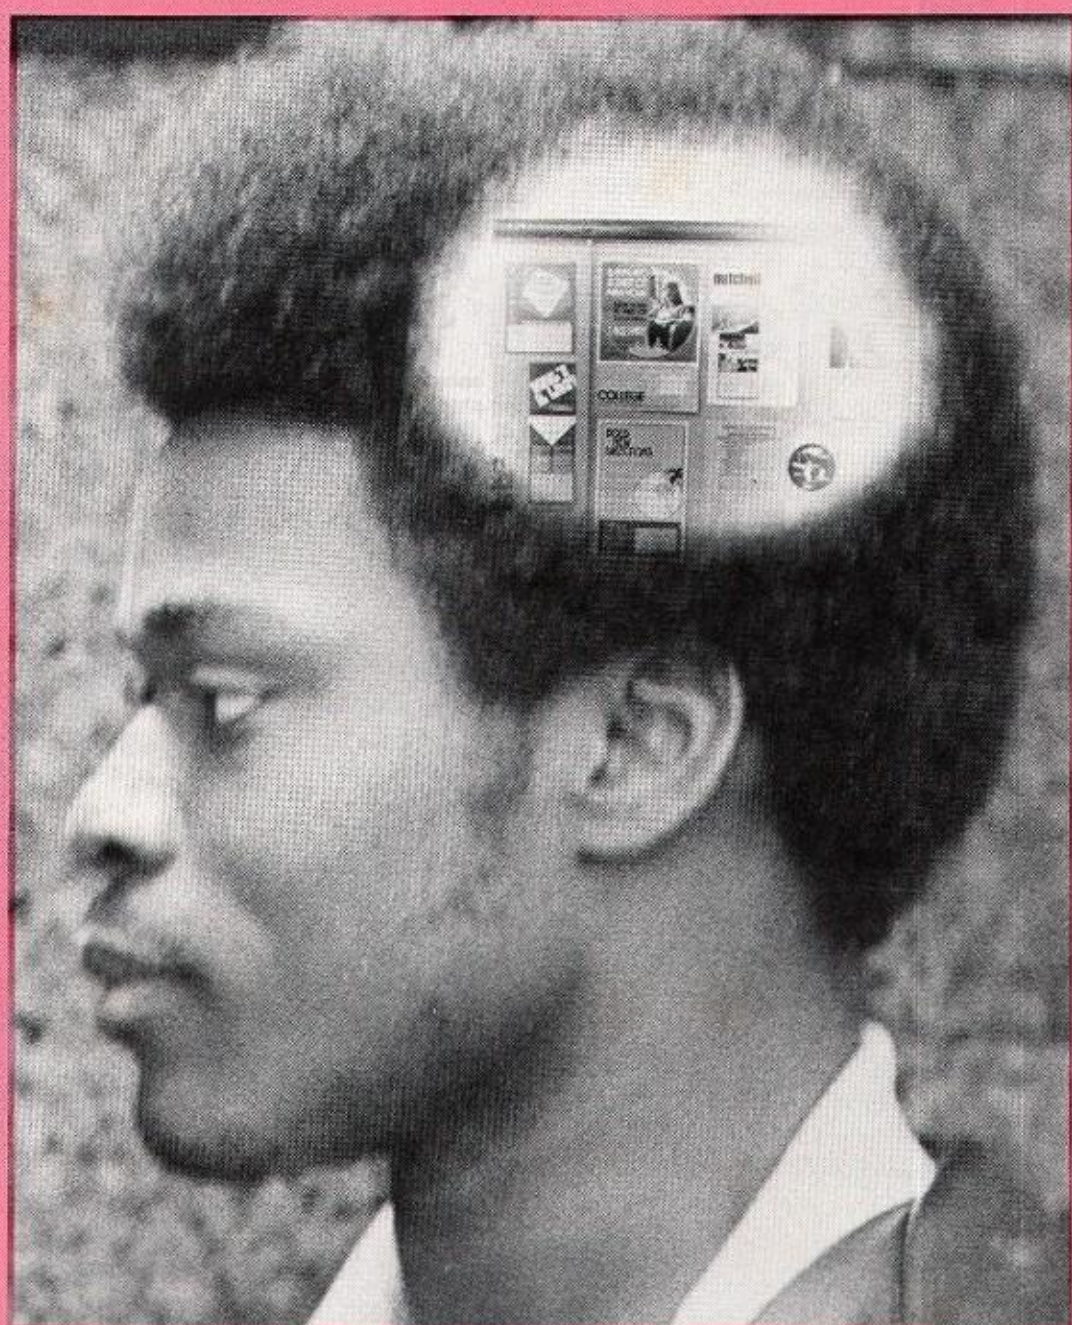

While searching, we realized that things don't always come to us. High school constantly exposed us to new experiences and situations that required reaching out for someone or something. This was when we found that life offered totally new and different meanings. By reaching out, we found that brighter dawn.

Homecoming '75 is big hit

Baby Day, Old Folks Day, Shabby Day, Cartoon Character Day and Color Day are memories now, but they are memories of a great Homecoming Week.

Clubs participated in decorating rooms and halls with the theme "Spirit of '76". The decoration winner was CBE. Literary Club and Pan Am tied for second as DECA took third.

The spirit intensified as Friday approached. At the annual Senior Pep rally that night the senior song, color, motto, and flower were announced along with the homecoming court. The senior football players were introduced and escorted by the cheerleaders.

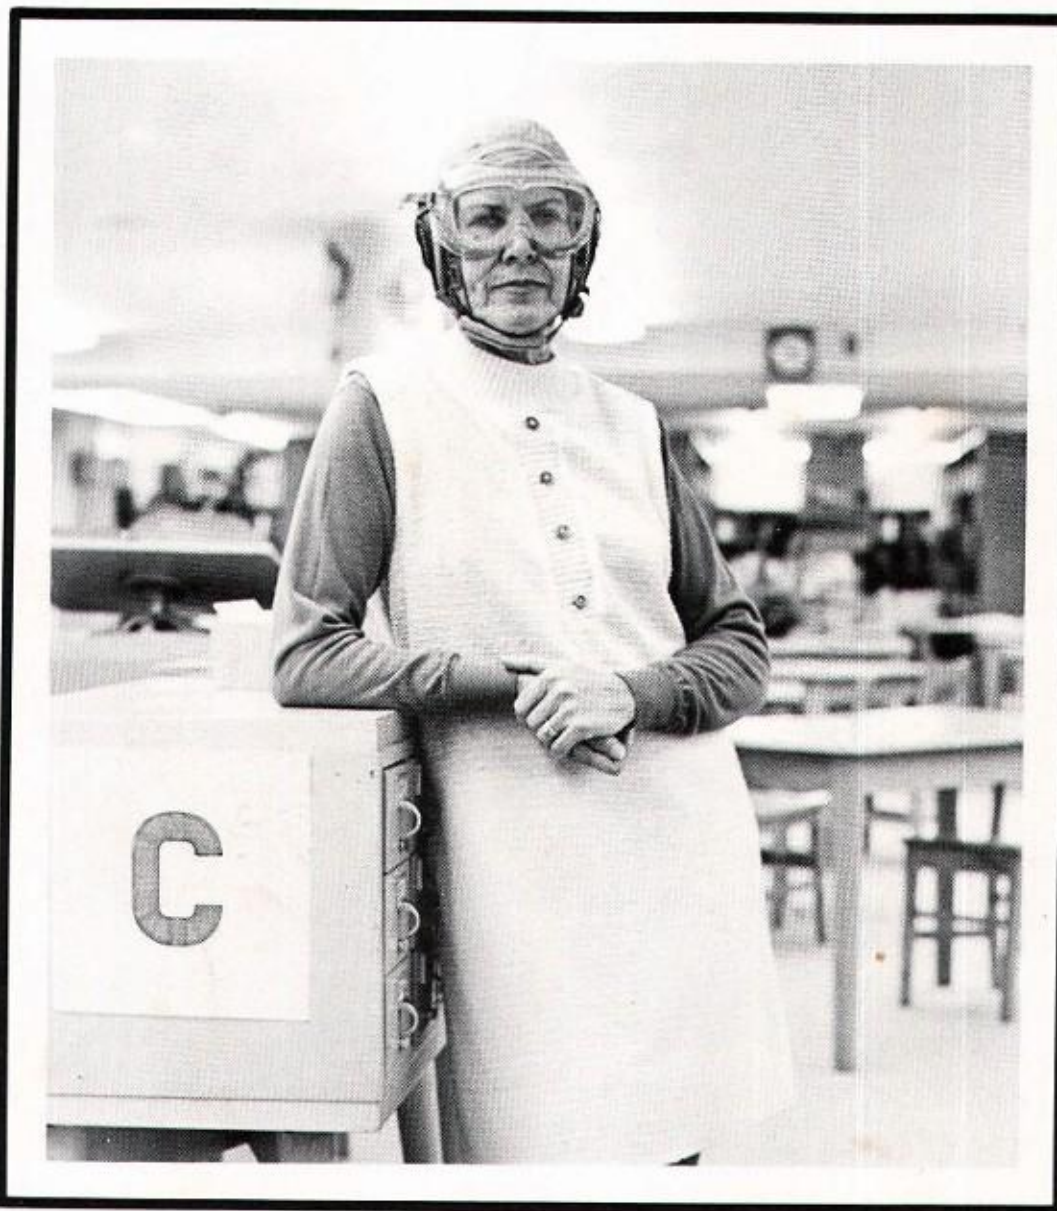

Saturday was the big game against Hialeah-Miami Lakes. Carol City started the game by scoring the first touchdown. Lakes came back and stayed ahead for the rest of the game, but the spirit and "Chief Pride" never died making this homecoming the one to remember.

Caring

What is the real meaning of caring? At MCC it ranged from crying after losing the homecoming game to distributing Thanksgiving and Christmas baskets for the needy. It was helping a friend in trouble or studying extra hard to get that A on the test. Sometimes we may not have received recognition for the things we achieved, but the important thing is that we cared enough to get things done. And it can honestly be said that caring is something that didn't run short this year at MCC.

Expanding

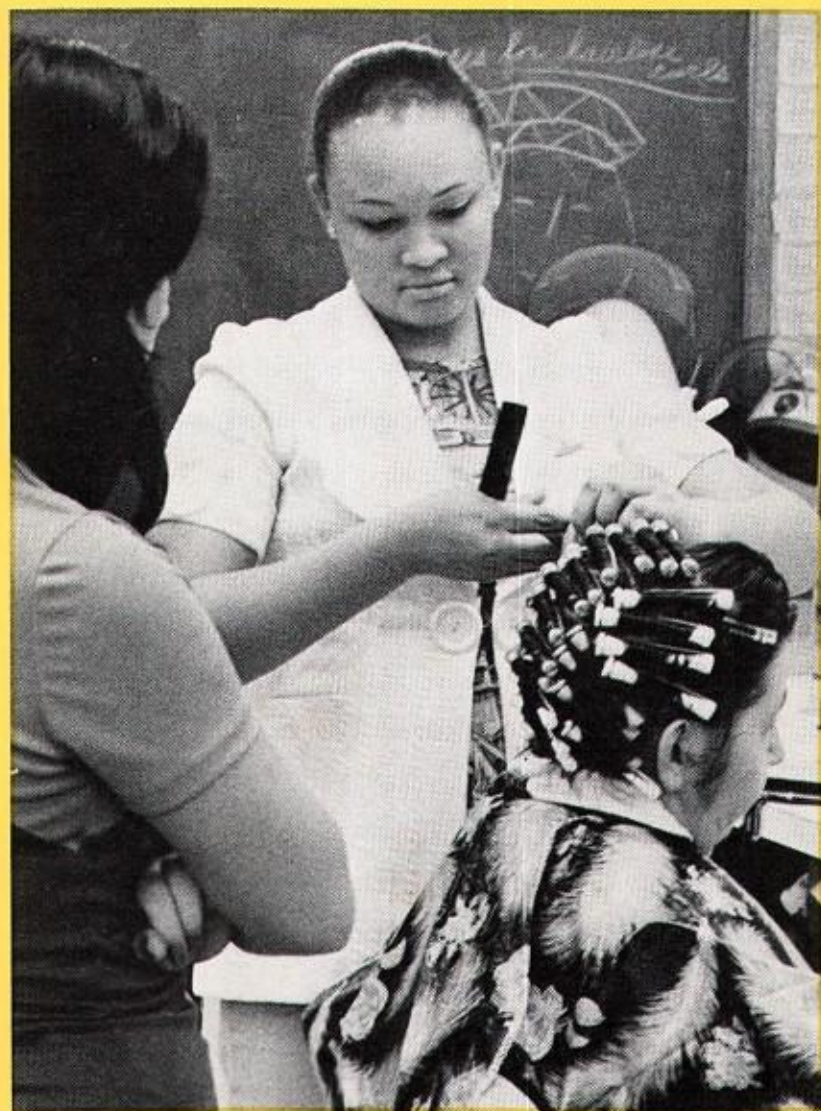

This year we have expanded in many different ways. We sought experience and knowledge in order to expand our outlook on life and to see the world in a different perspective.

While seeking, we experienced situations that no book could have taught us, and it was these situations that left permanent impressions on our minds.

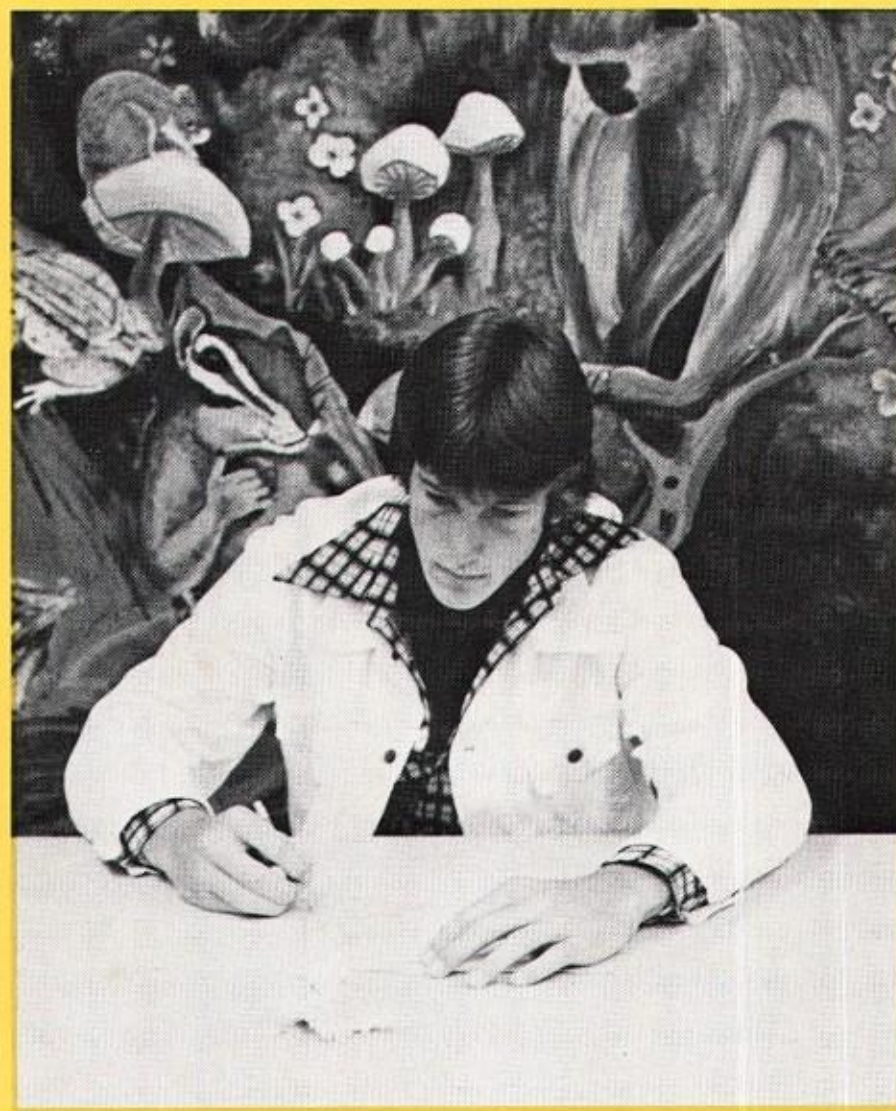

We weren't aware of how much we had learned until something came up that reminded us of school. It was then that we realized how much we had expanded.

Sharing

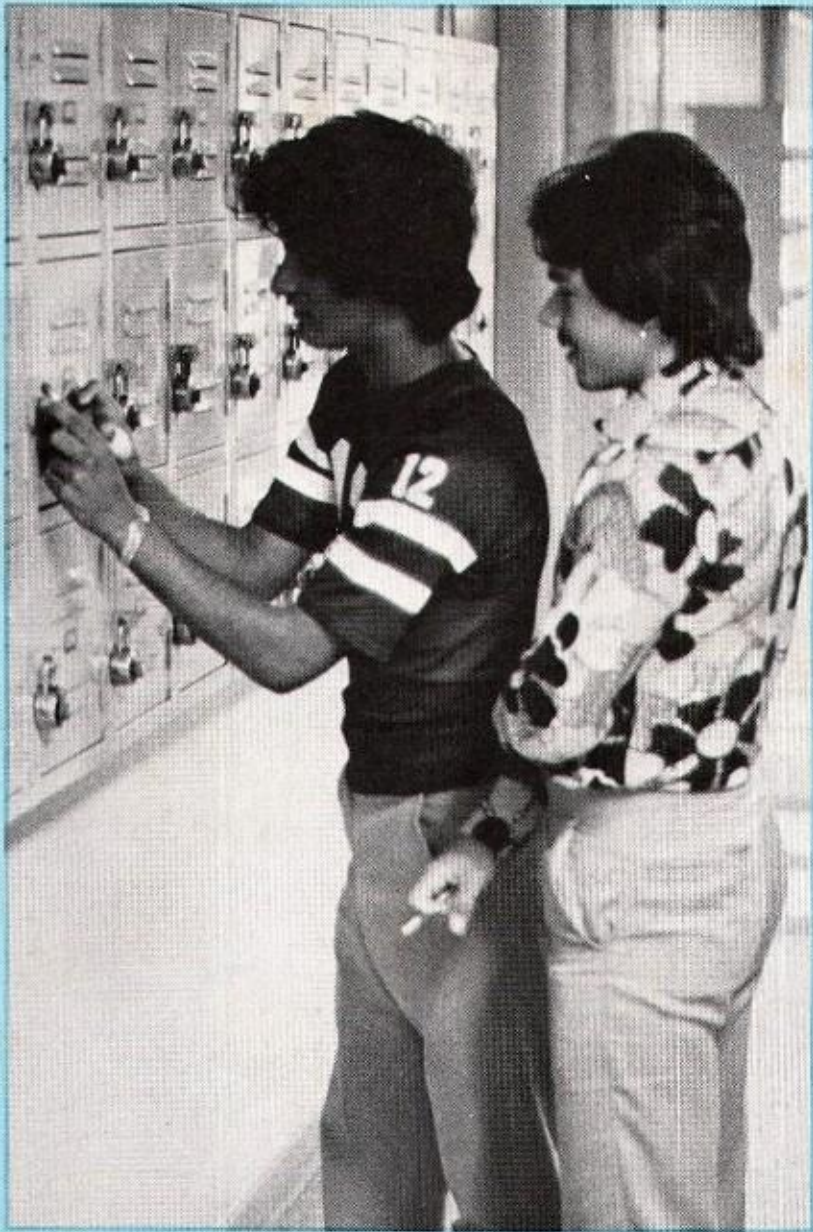

At school, we shared in many ways. Whether helping the community with charitable activities or sharing good times with friends, we gave a bit of ourselves hoping that we could dispose of someone's loneliness or make someone's day a little happier. Yes, it was important to bring happiness into one's life and what a better way to have started than by sharing.

Working

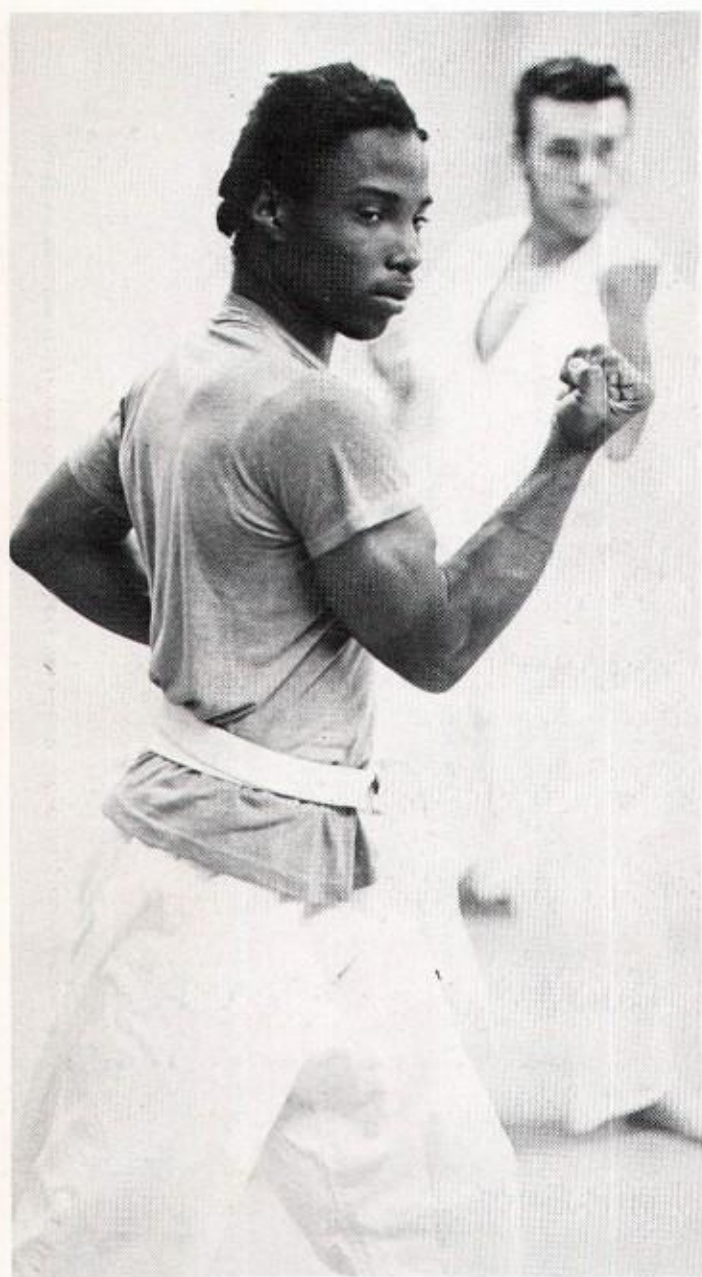

Many people seemed to think that the younger generation was lazy and would never achieve anything, but this was proven wrong this year at C.C. Many students held jobs along with attending school to achieve certain things such as buying a car or saving money for college.

At C.C. school didn't stop at 5:00 p.m. There were also community and night schools for adults and students who wanted to enrich themselves in one way or another. The night program offered a variety of subjects from Math to Karate and a chance for many students to make up certain subjects or to get ahead for early graduation.

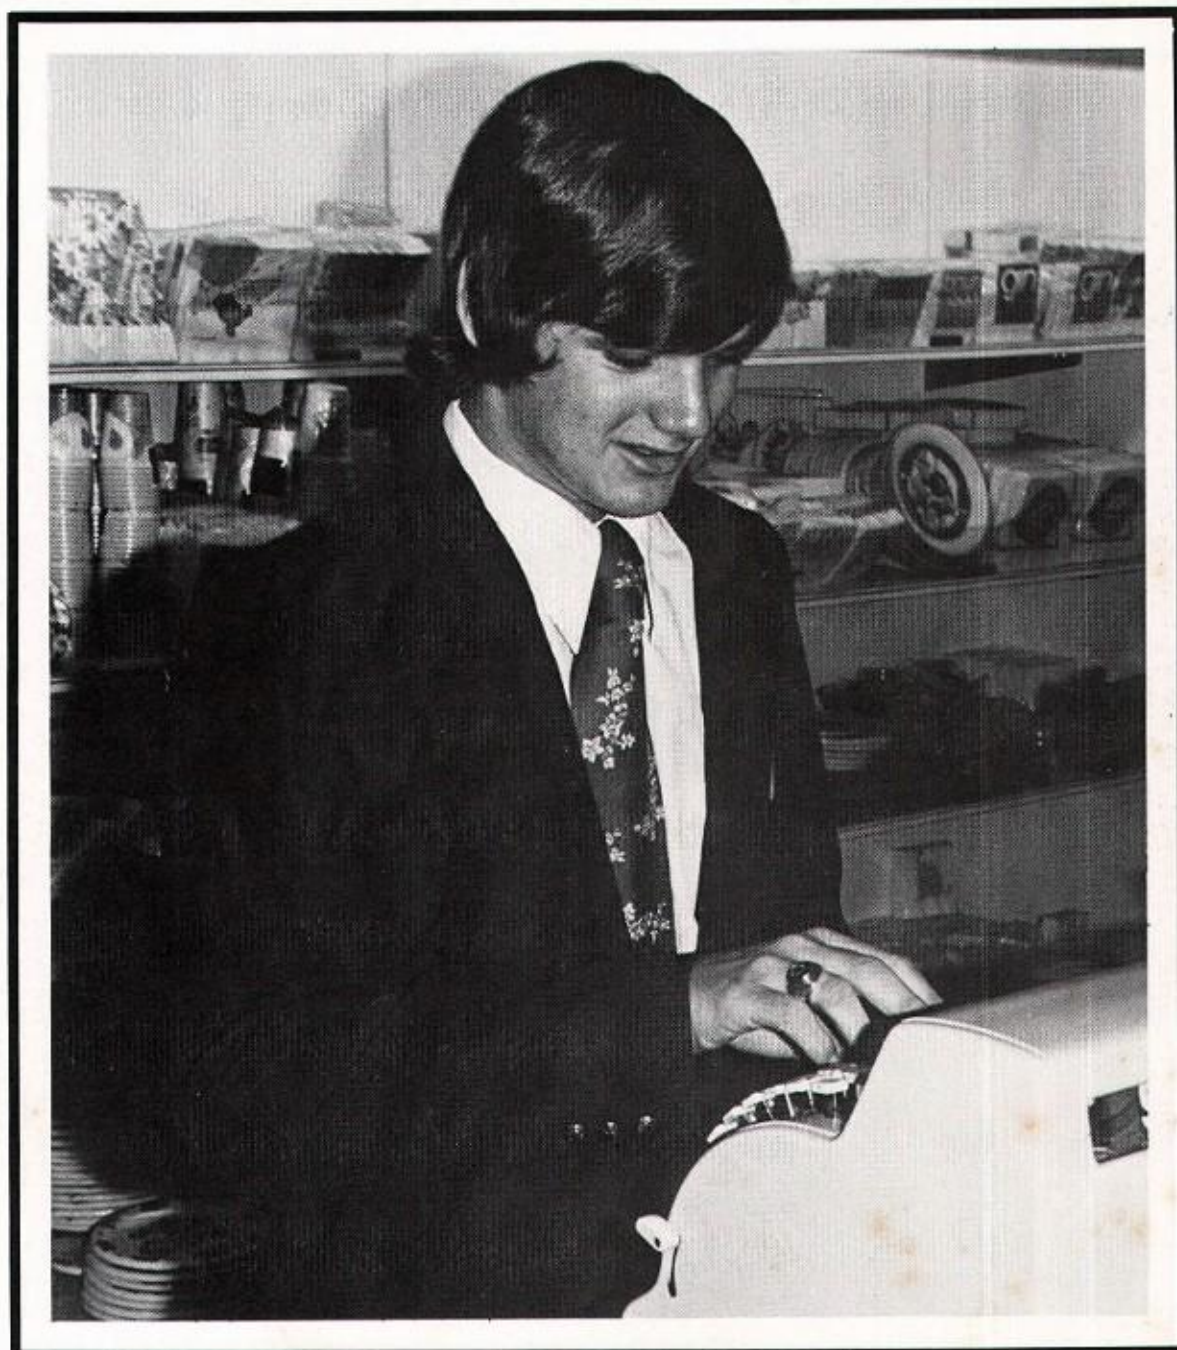

Working or attending night school proved that the students at C.C. are mature and responsible young adults who can and will make this world a better place to live.

Understanding

To be able to accept and respect someone or something lies in the key word, understanding. At MCC because of the variety of people who attended, it wasn't easy at first, but through all the activities that grouped us together as a whole body, we learned the true meaning of understanding. We erased the color, speech, and religious biases from our mind and looked at fellow students as people. With this obstacle out of the way, we worked together to achieve things we couldn't alone, and it all became possible through understanding.

The way we were

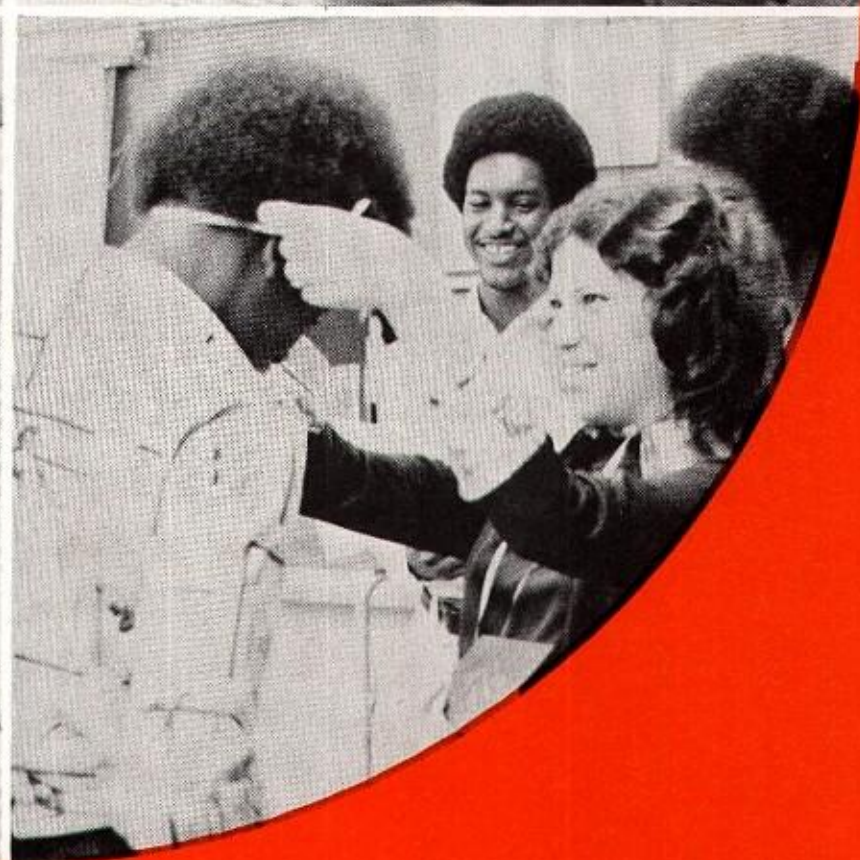

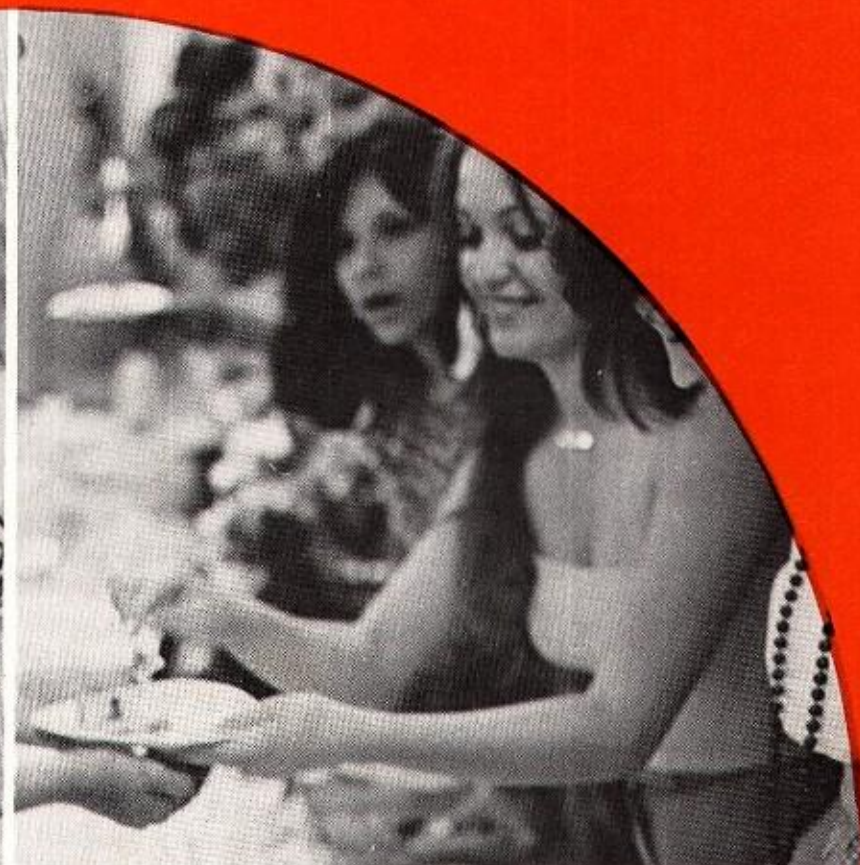

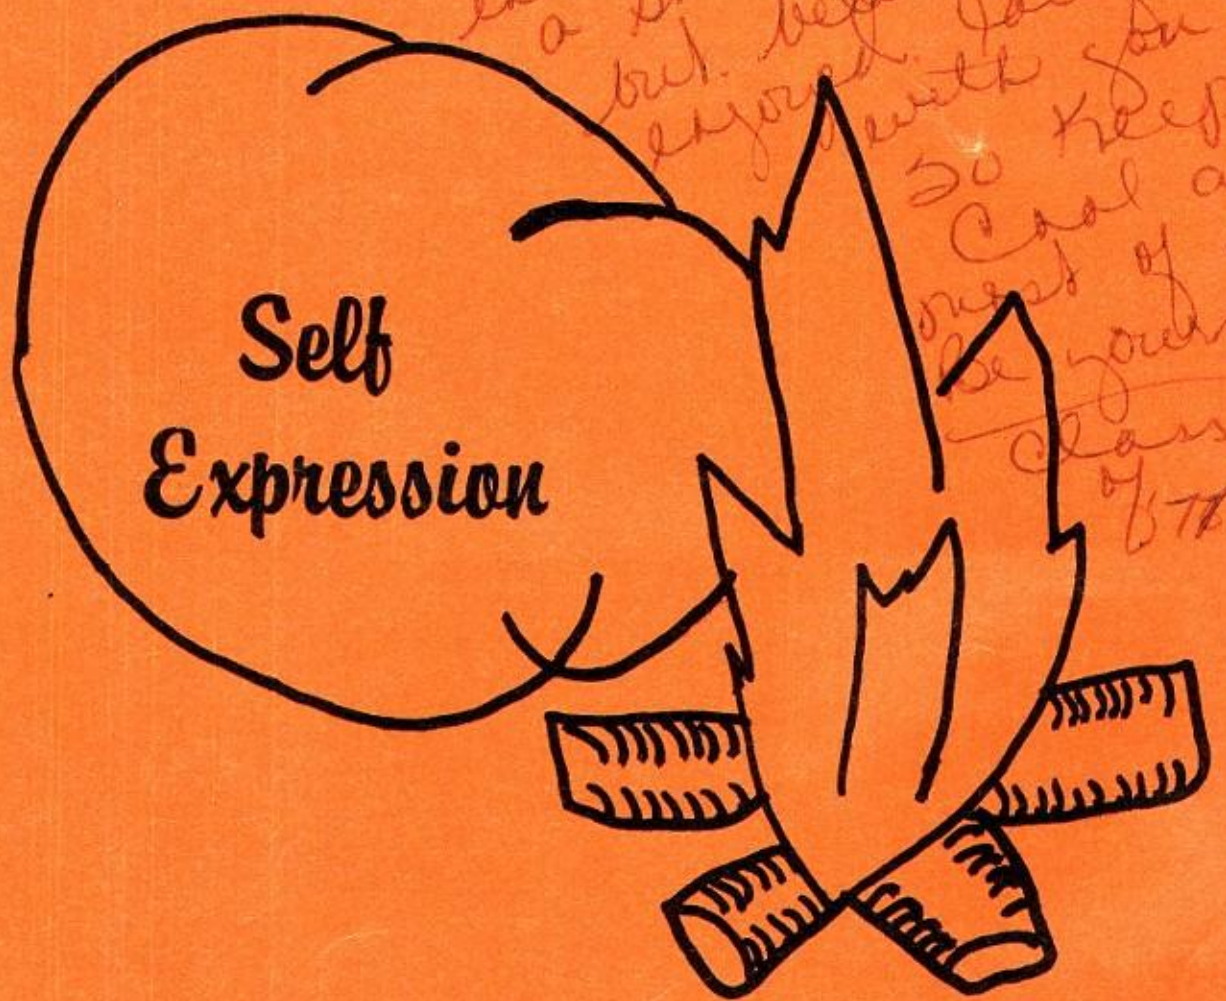

As I sat on the track
Things began changing around me.
The rails surrounding me
Became my friends, and
I could feel their closeness
And warmth once again.
Then each tie appeared
To be memories of the times
Spent together in laughter,
Tears, smiles, and love.
The ties were innumerable
And stretched on while fading
Away in the distance
Making me aware of times
Long gone, never to return.
Then I came to realize
That these visions of
Ties and rails were my emotions
And I had created
A track of loneliness.

Several car washes this year provided Interact with substantial funds.

Anchor fills sails with service

This has been both a fun filled and busy year for Anchor. Carwashes, visiting the children at hospitals, bakesales, selling pump-o-grams, and Easter bunnies made up just a few of this year's activities. And of course no one but Anchor has a male sponsor, and what a male! Parties, the meetings and other things we did together has brought us together.

But Anchor wasn't all work. How about the tapping sweethearts at 4:00 A.M., and having breakfast at the Ihop? Oh, and who could forget the annual Anchor Legs Contest. Who was the dude with the sexy legs?

Carol City once again participated in the trip to Washington D.C. sponsored by Close-up Foundation. The group, Miami 1, included 24 students and 2 teachers from MCC and was one of the first groups to experience Washington this year.

This trip was highlighted by a two day tour of Capitol Hill. The visits included lunch in the Rayburn Building with Congressman Dante Fascell, a seminar with Congressman Claude Pepper in the House of Representatives, and a stop at the Old and New Senate Buildings, where students were met by Senator Richard Stone and Lawton Chiles.

At night the students were entertained with a dinner at the well-known Flagship Restaurant and watched a play at Ford's Theater.

The trip came to an end on Friday night with a banquet and dance.

Members sold bumper strips and silk screened tee shirts. Their Bicentennial homecoming decorations won second place, and they planned parties.

Publication of a literary anthology was an all-year job as members sought the best in art and writing.

The two main functions for the club are to cut & distribute the honor ribbons for any MCC student who makes either the Honor roll or Dean's list, and to supply the Honor cords for all Honor graduates. Other activities include decorating for Homecoming and going to plays, movies and other literary functions.

A new advisor, new editor and plenty of new ideas made this year's newspaper better than ever. Staff members exchanged some of these ideas while attending workshops at Walt Disney World and the Florida Scholastic Press Association in St. Petersburg.

Of course there were always the ad campaigns and the ever-present bagel sales, but 1975-76 saw Christmas ads, contests and Valentine greetings added. It was a year of creativity and student involvement.

Members kept busy raising money through bake and bagel sales. The funds were used for the Larry Thompson Memorial Fund, a fund to beautify Dade County's parks and highways, and a special scholarship fund set up in his memory. The scholarship would benefit a senior who did excellent work in journalism and planned to major in it in college.

For their final activity, Quill and Scroll held an essay contest open to all students at MCC. The purpose, of course, was to encourage more writing talent.

Pan American Club excels in first year

Welcome aboard! The club prepares to sail from Bayfront Marina.

What club has set all kinds of records in its first year? The Pan American Club, of course!

Bake sales, dances, parties and a banquet in May were only part of their plans for the year. To these they added touches of their own, touches that made their first year unique.

Hispanic Heritage Week took on new meaning as the club added a library exhibit of Hispanic arts, serenaded individual classes and presented an evening variety show of Hispanic songs, dances and skits.

The highlight of the week for many MCC students was the generous sampling of Hispanic foods at a complimentary brunch hosted by the club. Students had a chance to sample food from many Latin countries, and "a good time was had by all."

In addition, they presented a show for Open House, held an evening production of "Christmas around the World" and had Manolo Reyes speak to an assembly that filled the auditorium.

That's quite a year.

Sandra Orr, Mary Lee Fleteau, Silvia Mendreta, and Kathy Nagle portray the Vestal Virgins, Vincent Hoag portrays a priest.

First place in the district Latin Forum how many years in a row? Three! That's unbelievable but true. MCC's Latin Club did what very few have the opportunity or talent to do. Participants will long remember the trophies and the "Hee Haw" skit.

In the spring, they competed in the Dade County Youth Fair and the state contest.

Preparing for competition took untold hours, but members found time to relax. A field trip to the Kapok Tree gave them a chance to study Roman architecture and enjoy a good meal.

The Latin Club won First Place in District Competition.

Junior Class Council members kept busy earning money for the Prom. They began with "Chief Pride" buttons in October and soon sold out of them.

Their next big project was selling candy bars, and just about everyone "munched-out" in class.

Aided by other members of the class, they had a magazine drive and sold subscriptions.

It was a busy year, but the Prom made it all worthwhile.

Sophomore Forum members planned ahead. Early in the year you could find them making plans to raise money to make 1977's Prom the best ever. From car washes to sales at Flea Markets they never stopped trying.

They will continue their efforts as juniors, but their head-start this year will prove helpful to say the least.

Student Council is an important part of Miami Carol City Senior High School. Without them who would plan Spirit Week, Homecoming or many of the other activities that make the school year so memorable?

The Carol City Athletic Association planned an active year, and its sports-conscious members stayed busy. Their activities include selling MCC pennants, holding bake sales and attending all of the girls' basketball games.

Members were interested in all phases of athletics, so most of their activities involved sports. One of the most unique ideas for a service program for 1976 was their taking inventory of the athletic department's equipment.

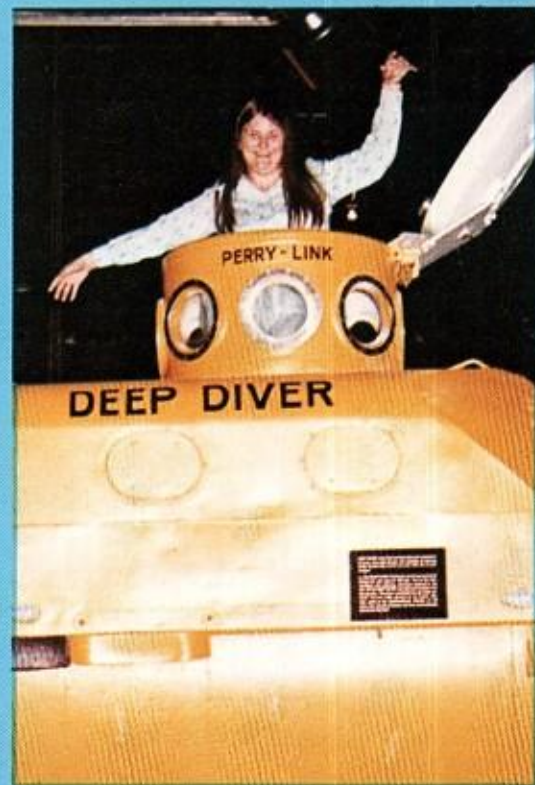

Science Club stays active all year

Selling candy canes may have been the Science Club's most popular activity, but it certainly wasn't the only one. Members planned and held their own Science Fair and sent the best entry to the Dade County Youth and Science Fair.

They used the money they earned to buy equipment for the Science Department. A copying machine and a high powered microscope were two of their recent purchases.

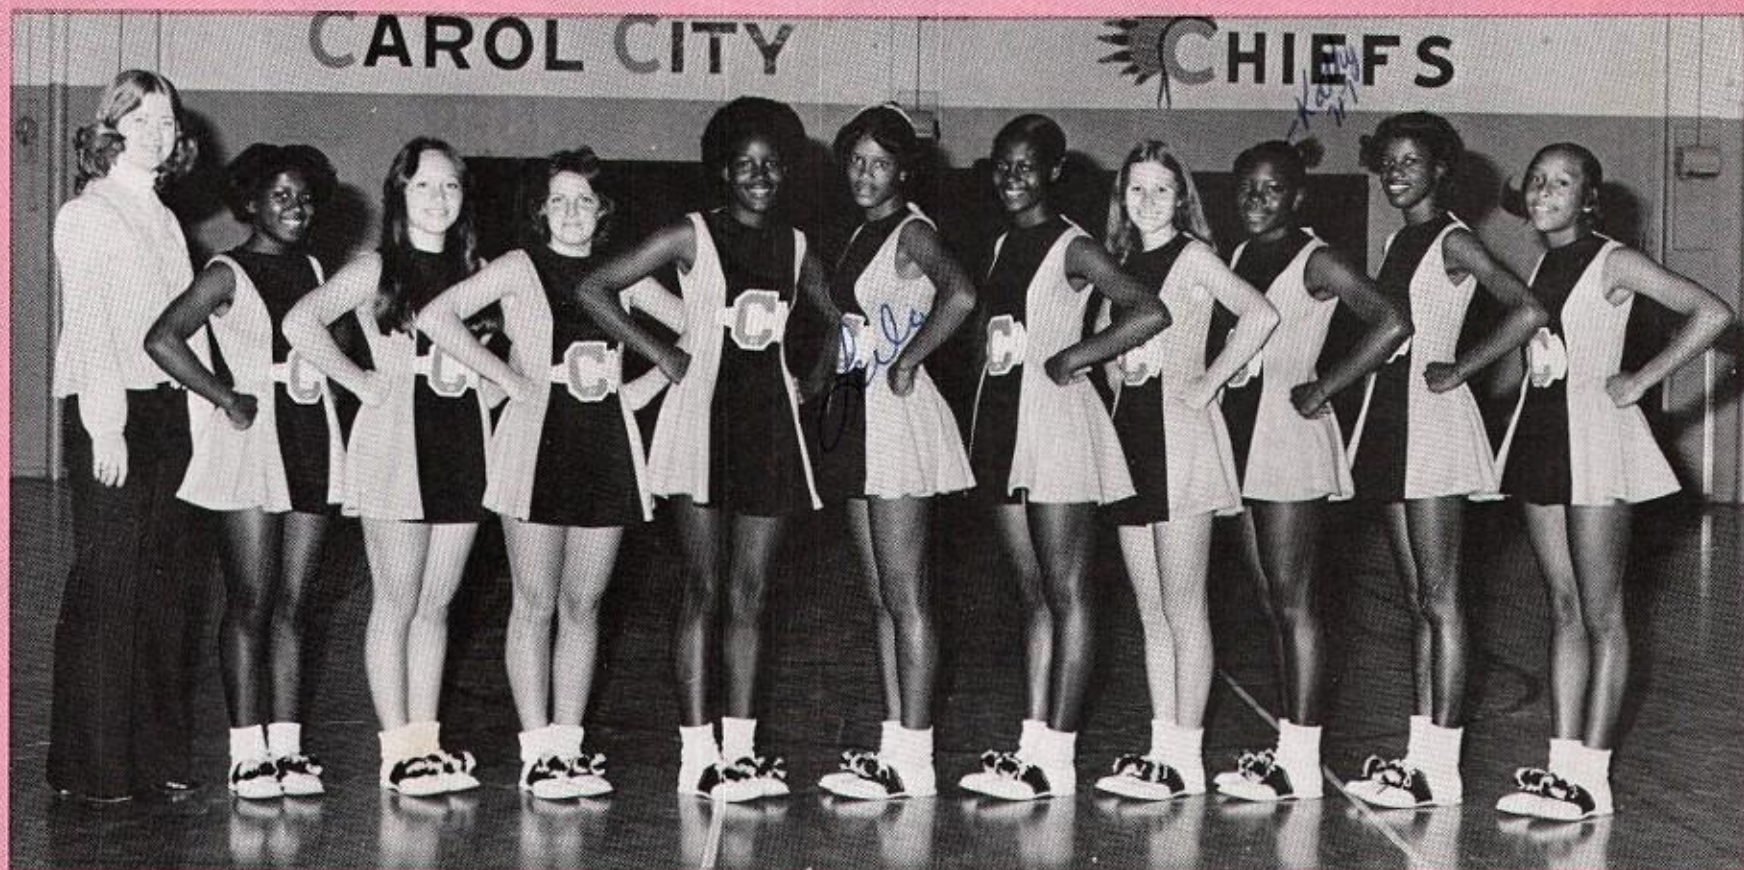

Field trips to Planet Ocean, the Planetarium and Viscaya were part of their fall activities, while a visit to Walt Disney World highlighted the spring.

It was a year of firsts for JV Cheerleaders. All members were "rookies" with no returning members from last year's squad. They were allowed to wear saddle shoes for the first time with their brand new uniforms, and they cheered for the varsity basketball team in a game against Norland.

Squad members were chosen by the varsity cheerleaders and faculty judges in November's try-outs. Hours of practice kept them busy as they prepared for the JV basketball season.

A Christmas party highlighted the season, and members received cheerleader pendants as a surprise.

They're free spirited people!

A club for students who want to express their feelings through music and dance? Here at MCC? That's right, and it's the Modern Dance Club.

In order to participate, students must be free spirited human beings, people able to enjoy and respond to the rhythm and meaning of the music.

Club members hold car washes, bake sales and other activities to keep them together financially. The club is active, but small.

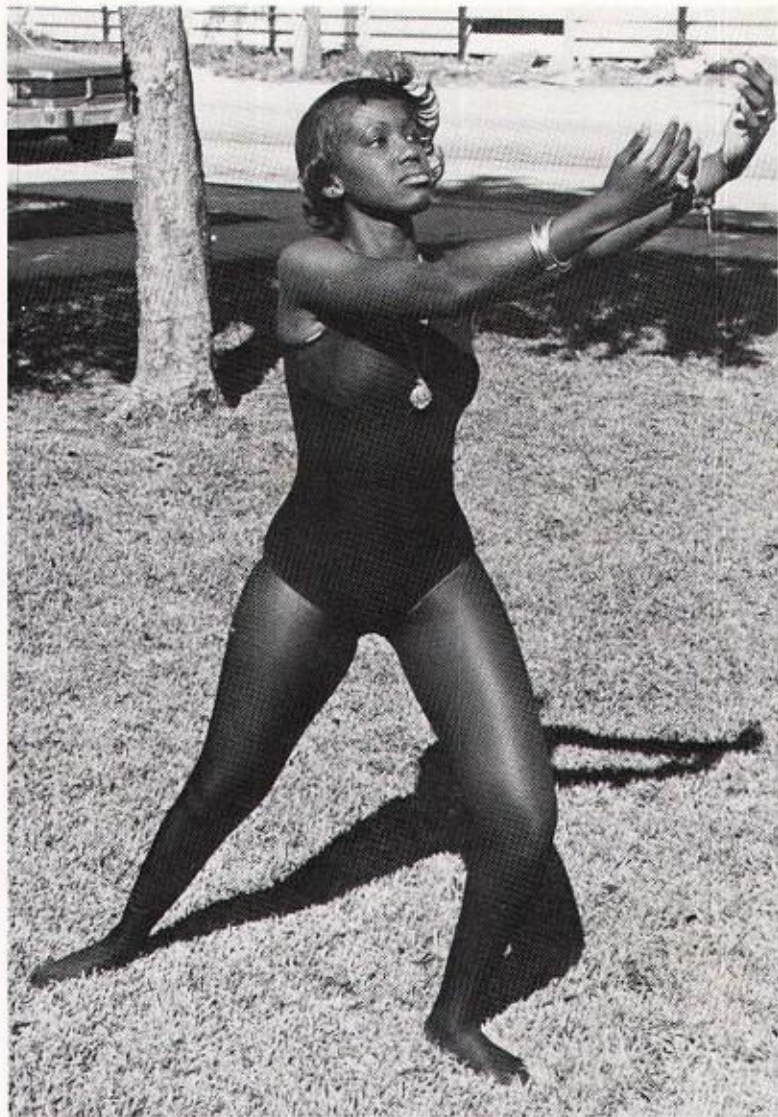

They tapped new members in March and participated in Black Awareness Week, as well as presenting programs.

Cheerleaders include Karen Moffett, Sherry Rivers, Bonnie Knight, Wendy Lee, Barbra Horton, Sherri Barfield, Andrea Wilson and Grace Johns.

Sherry Rivers is the squad's Co-Captain.

Spirit sticks, Superior ribbons and learning new cheers and pompon routines were all part of a successful week at summer camp. Even MCC's roommother said, "This is not the typical cheerleader." Overall, Carol City's Varsity Squad rated Superior.

Then . . . back to MCC where the excitement began all over again. Football games, pep rallies, beat signs, basketball games, tournaments and a trip to Key West highlighted the year. CHIEF PRIDE FOREVER!

Pep Club has reason to cheer

What could be more appropriate of MCC than the spirit of the Pep Club? After all, MCC had the most reason to cheer, right? Right! This was a great year for school spirit, and Pep Club was one of the reasons.

They practiced hard, even on weekends, to make sure their cheers were right. They met at school when game time appeared and supported the team the best they could. Five minute breaks between cheers pepped them up to continue supporting MCC's winning ways. After all, Chief Pride is what it is all about at Miami Carol City.

Pep Club sponsor is Ms. Pat Hinton.

Concert Band, or Wind Ensemble, consisted of the best musicians from Marching Band, according to Mr. Wayne Hoffman, Band Director. Every year new faces tried out for alternate positions.

The Concert Band presented several concerts including a Spring Concert in early March.

It all started the summer of '75. Carol City's majorettes began with long summer days of fast cadence, eight to five and two new routines a week.

As a result of their hard work, the squad won a first place trophy in dance twirl while attending Central Florida's baton camp during the summer.

Community school, bake sales, car washes, football games, parades, secret buddies and the naming of this year's space cadet, Jeannie Maxwell (I was five yetherday) are just a few of the wonderful memories the squad will forever cherish.

Much success and happiness to next year's squad.

'76 is year to remember for Marching Chiefs

The pride of being a Marching Chief is: putting on dy-no-mite half time performances, participating in local and state-wide parades, being a part of the "Black Sunday" cast in order to raise money for the United Fund, and raising funds for a national tour.

Typical of a marching band? Yes, but it's not easy. Band members dedicate a great deal of hard work and time into performances and community activities. But they don't mind, for the reward of satisfaction is great!

Band "stars" in BLACK SUNDAY

Miami Carol City students have a history of being generous with their time when it comes to helping others less fortunate. The school calendar is dotted with walk-a-thons, swim-a-thons, type-a-thons, and special projects and drives for those who need help, locally and even internationally.

One of the most unusual chances to help others was given to local residents in January and February when the motion picture *BLACK SUNDAY* was being filmed in the Orange Bowl. The producers offered to make films for United Fund if United Fund could find enough volunteers for the cast for a few weeks of shooting.

The response was great, and MCC students were among the thousands who gave of their spare time to help out. The band was one of several that performed for the crowds and the cameras.

Tempos started the year with a mini-concert with the Concert Chorus, and they barely stopped singing all year.

They sang for many clubs on different occasions — the Hialeah Women's Club, the NW District Principals' meeting, the Women's Democratic Convention, the district choral festival, the Miami Springs Villas, the Super Honor Choir, the University of Miami Honor Choir, the Hialeah Democratic Women's Club and Victoria Hospital.

At MCC they presented a Christmas Concert with the Concert Chorus, sang for night school graduation and participated in Black Awareness Week.

For sales, Tempos had an airplane wash and sold candy.

They ended the year singing as part of a Bicentennial tour of Washington, D.C. and Virginia.

With two first and two fourth place awards in District competition, plus work experience program that really worked, no one could say that MCC's Diversified Cooperative Training program students had anything but a successful year.

As a club, they took first place honors with their name tags and their Bicentennial skit at the District Convention in December. Carlos Couzo won fourth place in Public Speaking, and Jim Correll impressed judges with a fourth place in Sales Demonstrations.

On a more local level, members gained experience in a variety of jobs aimed at furthering career interests. They had a chance to earn money while becoming contributing citizens.

Their Employer-Employee Banquet in May, a highlight of the year, gave them a chance to say "Thank you" to some of the people who helped them in 1975-76.

The members attended the debate class to prepare for the year-round tournaments, but much of the work had to be done on a member's own time.

One of the main functions was sponsoring the NFL/Yearbook King and Queen contest. This enabled them to raise money for the annual state tournament, the highlight of the year.

At the district convention held last fall at the Sheraton Four Ambassadors, five district officers were elected. Three of them — President Willie Edwards, Vice President Cheryl Duncan, and Treasurer Jorge Hevia — were from MCC.

It took many hours to design and complete the Time Tunnel for Homecoming, but it was worth it. The Tunnel took third in homecoming decorations and was one of the most popular around. Approximately 1,000 people visited it.

Competition in district contests for display, advertising, retail merchandising, and public speaking, among other areas, and preparing for their annual Employer-Employee banquet kept members busy in the spring.

Cosmetology trains for future

To be a beautician you must have a real interest in people, a desire to be helpful to patrons, and at all times have a well groomed and attractive appearance.

MCC students met these requirements through practice and instruction. They were trained for everything from cleaning floors to managing their own beauty shops. A variety of services were provided such as permanents, straightening, shape, style, shampoo, set, manicures, and pedicures.

Cosmetology is not for women only, but for men also.

In addition to the hours they spent on the job, DCT members found time to organize an Employer-Employee Banquet for all members and their bosses. They held a leadership conference to develop the skills necessary for their jobs.

To raise money, they held bake sales, car washes and had a special cheese sale before the Christmas holidays.

CBE — OK!

CBE students attend school in the morning and work in the afternoon in office positions. They gain valuable experience before finishing high school and get a head start on careers in the business world. In addition, CBE students belong to Cooperative Education Clubs of Florida — club designed to develop leadership qualities and skill in competition.

In District 10 Competition, CBE won four trophies: Soraida Garcia — 1st Place Job Interview Martha Martinez — 2nd Place Public Speaking; Clara Machado — 5th Place Poster; and the entire group 2nd Place Bicentennial Skit. In March CBE attended the State Leadership Conference and brought back a first place trophy in public speaking.

CBE gained more recognition at MCC when they won 1st Place for Homecoming with their clever Bicentennial decorations. With bake sales, car washes, ploy-fluff, and social security card sales; with sweetheart parties, initiation parties, Christmas and End-of-the-Year parties; with District 10 and State Competition; and the finale — the annual Employer-Employee Banquet, it was easy to see why their theme was "You Deserve A Break Today."

Finalists in the state tournament, MCC's women's water polo team ended the season with a 10-2 record and tied for fifth in Florida. The girls, whose play excelled all season, finished 9-1.

Robin Castillo made the All-State team with Sharon De-Soto, Gina Sileo and Rose Castillo receiving All-State Honorable Mention.

The girls' water polo team had its best season this year. With all returning players from last year, they spent many hours working toward the State tournament with many new plays and positions.

Losing only to Hia-Miami Lakes in a tough game, the team missed playing in GMAC, but came back to play in the State tournament. They won their first game with Palmetto but lost to Cooper City, eliminating them from the tournament.

Next year's team shows even more potential because the team will only be losing four girls. With just two of the girls on the starting line-up leaving, the girls will have a promising season.

Only a sophomore, Brett led the team in wins all year and earned himself recognition in county cross country circles. According to Coach Joe Pieze, he may be expected to break existing records before he graduates.

Under the coaching of Mr. Henry Adams, the men got through a tough and very hard season, ending it proving that they are not only

the No. 1 water polo players but the best in swimming too. Seniors and captains, Brian Nelson and John Testa, helped lead the men to their victories. With nine seniors leaving, they expect to have an even tougher season next year. But they plan to try as hard or harder than they did this year.

Jimmy Smith, Mark Powell, Captain Dennis Hayes, Jay Powell, Jerry White.

It was a year of "If's" for MCC's golf team . . . If just a few more putts dropped . . . If only the best looking girls could caddy . . . If there were more consistent straight, long drives . . . If the team could break the school record.

The team spent long hours in practice to improve their win-loss record, and those hours paid off in individual skill and personal accomplishment.

Never at Carol City has there been a JV as good as the '75 Junior Varsity. With the no. 1 offense and defense in the county, the achievement was made possible.

Defensive Captain Dwayne Burse was the leading hitter, while Offensive Captain Terry Daniels was the leading rusher.

The JV Chiefs' hard-hitting defense was not scored on until the fourth quarter of the fourth game of the season. If the offense was not rushing the ball down opponents' throats, they would throw long from the wishbone to Kelvin Jackson, a move usually good for a touchdown.

The standout season marked Mike Fox's first year as Head JV Coach. This record could not have been achieved without him and the help of Coaches Jerry Lotito, Jeff Paris, Larry Byrnes and Tony Zucco.

Thirteen may be an unlucky number for some, but MCC's Chiefs refused to recognize this. Their 8-2 record, the result of individual effort and the team's "Chief Pride", was the best in MCC's 13 year history.

The Chiefs ended the season first in offense in Dade County, while Lorenzo Roan led the county with over 7 yards per carry. Defensively the Chiefs, throughout the season ranked no. 1 and 2 in Dade, ended on top.

The *North Dade Journal* named Coach Jerry Anderson 1975's "Coach of the Year", and "Chief Pride" was the slogan of coaches and team alike.

Fred Nixon and Jon Bell led the individual honors when they were named by the *Herald* as 2 of the state's top 10 players. Lorenzo Roan made the All-County team, and Clarence Baker and Gary Parker were named All-City.

In addition, Parker and Baker made the *News'* All-County team, as did Keith Francis, Reggie Ogburn. Vernon Wilder and David Ritchey were on the third team.

Nixon was the third leading scorer in Dade, while Ogburn quarterbacked the *Journal's* team.

In the *Journal*, Parker, Roan, Baker, Francis, Ritchey and Wilder were named to the first on the second, as well as All-County and All-City.

The Varsity season at a glance

It was a very good year for the football Chiefs and their fans. Statistically MCC led the county in both offense and defense and dominated positions on the All-City and All-County teams.

Only 2 losses marred an otherwise perfect season, a close one to Hialeah and the other to State Champions, Hialeah-Miami Lakes.

But it was the victories, the spirit and the "Chief Pride" of players, coaches and fans that made the '75 season so outstanding . . . a very good year indeed!

Jamboree 1-1

Carol City opened the season with a 1-0 win over Norland in Jamboree. Strong defensive play by both teams forced the Chiefs and the Vikings into a tie-breaker, the first held under Dade's new regulations. Carol City won in overtime 1-0.

In the second game, Hialeah recovered a CC fumble and capitalized on the Chiefs' mistake with a field goal. Despite efforts of the Chiefs, the final score remained 0-3.

Carol City 20 — North Miami 9

A victory over the Pioneers in the regular season opener was next. North Miami scored first, but the rest of the game belonged to the Chiefs who gained 372 yards in their ground attack alone.

Reggie Ogburn scored first after Ricky Coleman recovered a fumble at the Pioneers' 18 yard line. Then Rogers Brown intercepted a pass at North Miami's 6 yard line, and Lorenzo Roan ran it in. Roan, who piled up 168 yards for the night, scored again after Keith Francis picked off another pass. Roan ran it in for 81 yards. Fred Barrios' kicks were good for 2 extra points, bringing the final score to 20-9.

Carol City 20 — North Miami Beach 0

Despite some of the worst weather of the year, MCC's offense racked up 3 touchdowns in the first half, and the defense never let the Chargers catch up.

Fred Nixon scored first on a 13 yard run that ended a 53 yard drive. Next Reggie Ogburn passed to Greg Peak, and Fred Barrios converted again for 14-0. Jon Bell gained 69 yards and scored on a final 1 yard drive, bringing the final score to 20-0.

Carol City 26 — Norland 7

John Swain led the Chiefs to their 26-7 romp over Norland by running for 97 yards, passing for 49 more and scoring twice. Cosmo Jordan's pass to Greg Peak gave the Chiefs the extra point and a 14-7 lead at the half.

Interceptions by King Scott and Barry Barfield and a fumble recovery by David Ritchey kept action alive in the second half, but it wasn't until the closing minutes that MCC scored again. Lorenzo Roan ran the ball for a 25 yard score, and Jon Bell followed him with the final TD with only 44 seconds remaining.

Hialeah 3 — Carol City 0

Carol City entered Hialeah Stadium ranked #1 in offense and #2 in defense, but somehow the Chiefs couldn't get their offensive "machine" going.

The game was a defensive battle on both sides. A Hialeah field goal in the third quarter kept the game out of reach for MCC, but Carol City's "Crunch Bunch" defense held Hialeah to a 3-0 win.

Carol City 19 — Miami Springs 14

Quarterback Reggie Ogburn opened the scoring against Miami Springs on a 34 yard TD run that capped a 75 yard opening drive. Then the Chiefs' kick off team showed their "Chief Pride" again when David Ritchey, with excellent blocking from Keith Francis, ran a Springs' fumble into the end zone for a second score, all within the first 3½ minutes.

The defense took over for most of the rest of the game, allowing only 2 TD's.

A final touchdown by Fred Nixon put the Chiefs back on the winning streak with a 19-14 victory over Springs.

Carol City 20 — Edison 0

The Chiefs had trouble getting their "offensive machine" running in the first half, but Edison's Red Raiders couldn't stop them after that.

Lester Williams opened up the second half when he blocked an Edison punt and ran it in for the first score of the night. Fred Nixon's running accounted for the second touchdown, and Arthur Thompkins' interception of an Edison pass set up a touchdown run by Lorenzo Roan. Roan led the offense, gaining 196 yards in 16 carries.

Keith Francis, Ricky Coleman and Rogers Brown ruined the Raiders' passing, as the "Crunch Bunch" destroyed their running attack. Carol City went into the locker room with a 20-0 victory over Edison's Raiders.

Carol City 8 — Jackson 7

Jackson opened up the game with an 85 yard drive for the first touchdown, while Carol City was unable to get on the scoreboard before the half ended.

The second half was a different story. Carol City did a reverse to Fred Nixon for the Chiefs' first score, and Fred Barrios tied the game 7-7. Neither team was able to get another score on the board before time ran out, and the game went into a tie-breaker.

The Chiefs showed their high spirit by penetrating the General's territory with a pass from Reggie Ogburn to Greg Peak and a 14 yard run by Jon Bell. MCC's 8-7 victory marked their first win ever over Jackson.

Hialeah-Miami Lakes 28 — Carol City 7

Carol City entered Hialeah Stadium as the underdogs, but they ran all over highly touted Hialeah-Miami Lakes throughout the first half. Reggie Ogburn marched the Chiefs up and down the field but was able to put only 7 points on the scoreboard. Lakes recovered a Reggie pass and ran it to a 7-7 tie at the half.

Jon Bell and Fred Nixon were taken out of the game in the second half with injuries, while Lakes continued to capitalize on MCC's misfortunes. Although the Chiefs dominated the game statistically, the final score was a 28-7 win for Lakes who went on to become State Champions.

Carol City 26 — Northwestern 8

Carol City got back on the winning streak the next week with a 26-8 victory over Northwestern's Bulls. Clarence Baker led the Chiefs with 115 yards rushing, as the Bulls could not keep Baker and the rest of the Chiefs under control. James Gilbert opened scoring when he recovered a blocked punt in the end zone. Fred Nixon scored next. Then Clarence Baker carried for 67 yards, and Reggie Ogburn completed the drive to score. David Ritchey added more points by recovering a fumble and running it in for 63 yards.

The Chiefs' "Crunch Bunch" defense gave up only 8 points.

Carol City 33 — Central 18

The Chiefs entered Miami-Dade North's Stadium and promptly proceeded to spoil Central's homecoming 33-18. Arthur Thompkins picked up a fumble on the opening kick off and ran it in for 29 yards. Then Fred Nixon contributed his talent with 2 touchdowns and 98 yards rushing for the night.

Clarence Baker carried straight up the middle 6 times, powering his way into the end zone. James Gilbert picked up a loose ball and ran it in for 6 more points, and Carol City's Chiefs came home singing with their best-ever record of 8-2.

Sophomores plan ahead for prom

President Nick Esasky

Vice President Dedra Tucker

Under the guidance of sponsor, Mr. Russell Davis, sophomores earned money through bake sales and car washes for next year's prom.

Decorating the Little Theater hallway for homecoming led the year's activities. Artistic members helped class officers, and enthusiastic sophomores showed their spirit by signing in with water colors on the signature sheet.

Officers tapped Sophomore Forum members in November, and class members participated in walk-a-thons to help the community.

Sponsor, Mr. Russell Davis joins the officers.

CHIEF PRIDE

Underclass has it together,

together

Juniors have CHIEF PRIDE!

President Rita Argenti

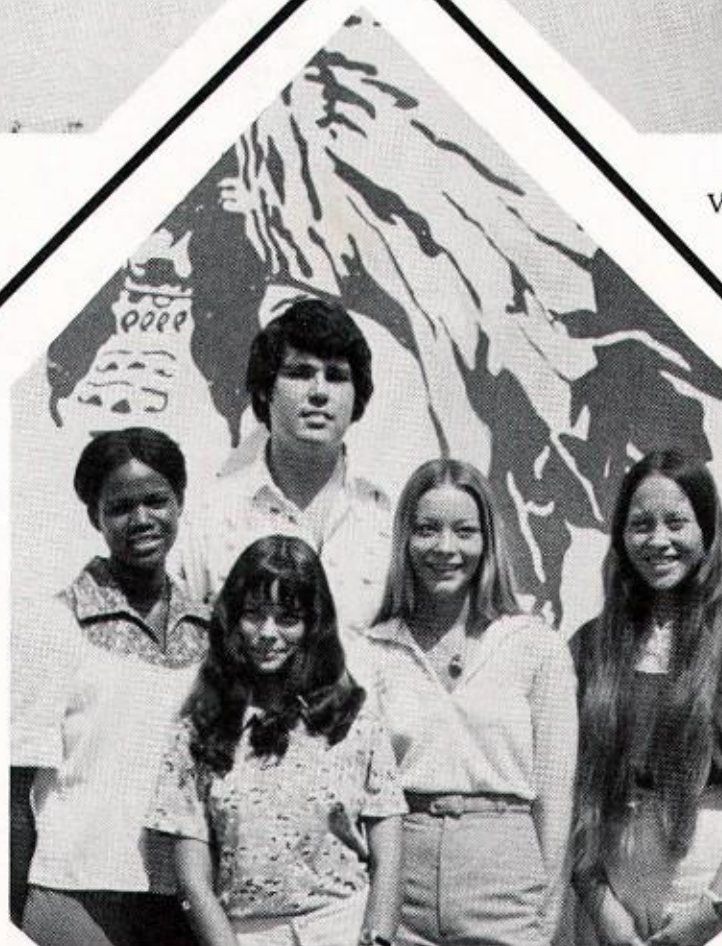

Vice President Sherry Rivers

It was a wonderful year, one that juniors won't forget.

Electing a new class president started the year. In October officers tapped the Junior Class Council and began visiting hotels to find the right place for the prom.

Candy sales, a fall magazine drive and Chief Pride buttons

Sponsor, Mr. Mark Bancroft, joins the officers.

were major funding raising activities.

Ordering class rings, the ASFAB test, part-time work and selecting subjects for their last and final year kept them busy.

Most of all, juniors had CHIEF PRIDE!

Class of '10

Seniors are the true "Spirit of '76"

President Willie Edwards

Vice President John Adams

It's only the beginning for the seniors of '76. This year was a special one, with little time to look back as they prepare for the future.

Seniors spent the year studying, decorating the main hall for Homecoming, participating in Spirit Week, working, planning for senior pep rallies and assemblies and voting.

Pink and burgundy were the class colors and the pink rose the class flower. Senior song was "That's the Way of the World", and their motto was "God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference."

Sponsor Patrick Snay and Sergeant-at-arms Calvin Gibson join the officers.

SENIOR MOTTO

"God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference."

SENIOR SONG

THAT'S THE WAY OF THE WORLD

By Maurice White, Charles Stepney, and Verdine White

Heart of fire create love desire
To you high'r and higher to the world you belong.
Heart of fire create love desire
High'r and higher to the place on the throne.
We come together on a special day.
Sing our message loud and clear.
Looking back, we touched sorrowful day,
Future pass, they disappear.
You will find peace of mind,
If you look way down in your heart and soul,
Don't hesitate 'cause the world seem cold,
Stay young at heart,
'Cause you're never, never old at heart.
That's the way of the world,
Plant your flower and you grow.
Child is born with a heart of gold;
Way of the world, this is hard, so cold.
Heart of fire create love desire
To you high'r and higher to the world you belong.
Heart of fire create love desire
To you high'r and higher to the world you belong.

The Miami Herald Silver Knight Award is given to high school students who excel in a certain field of study or citizenship. All high schools may choose students to represent them in each category.

The basis for choosing these students is the knowledge of the category being sought, leadership, and community service. It is a great honor and achievement to be chosen from the school to compete for the Silver Knight Award. It is with great pride that we salute the 1976 Silver Knight Nominees:

Faculty leads the way

Mr. Nicholas Borota, Principal

Keeping a school running from 7 am to 10 pm was a big job, but MCC's administrators did it and did it well.

Add to that the varied and active instructional and extra-curricular programs, and you needed the time and talents of many teachers, counselors, specialists, coaches, and sponsors. MCC had them, too.

That's why we decided to call this section "Leaders," for that was what MCC's faculty members were . . . and we are grateful for it.

1976 — a very good year!

'76 Olympics influences MCC athletes.

'76 is the year for mankind to start believing in himself.

It was a dog gone good year.

A new word was added to MCC's vocabulary.

Many seniors treasure fond memories of '76.

This year the true pride of being a "chief" was born.

This year many Chiefs learned to accept disappointments.

Memories . . .

Memories Are Forever
By Connie McKinney
Editor-in-Chief

Memories . . .
of waiting until the last minute to get anything
done.

Memories . . .
of constantly trying to create different layout
designs.

Memories . . .
of no one showing to get pictures taken when
scheduled to.

Memories . . .
of looking for lost pictures which were never lost.

Memories . . .
of writing and re-writing copy and headlines until
it was done right.

Finally, the memories of all the wonderful people
who contributed to the development of this yearbook . . .

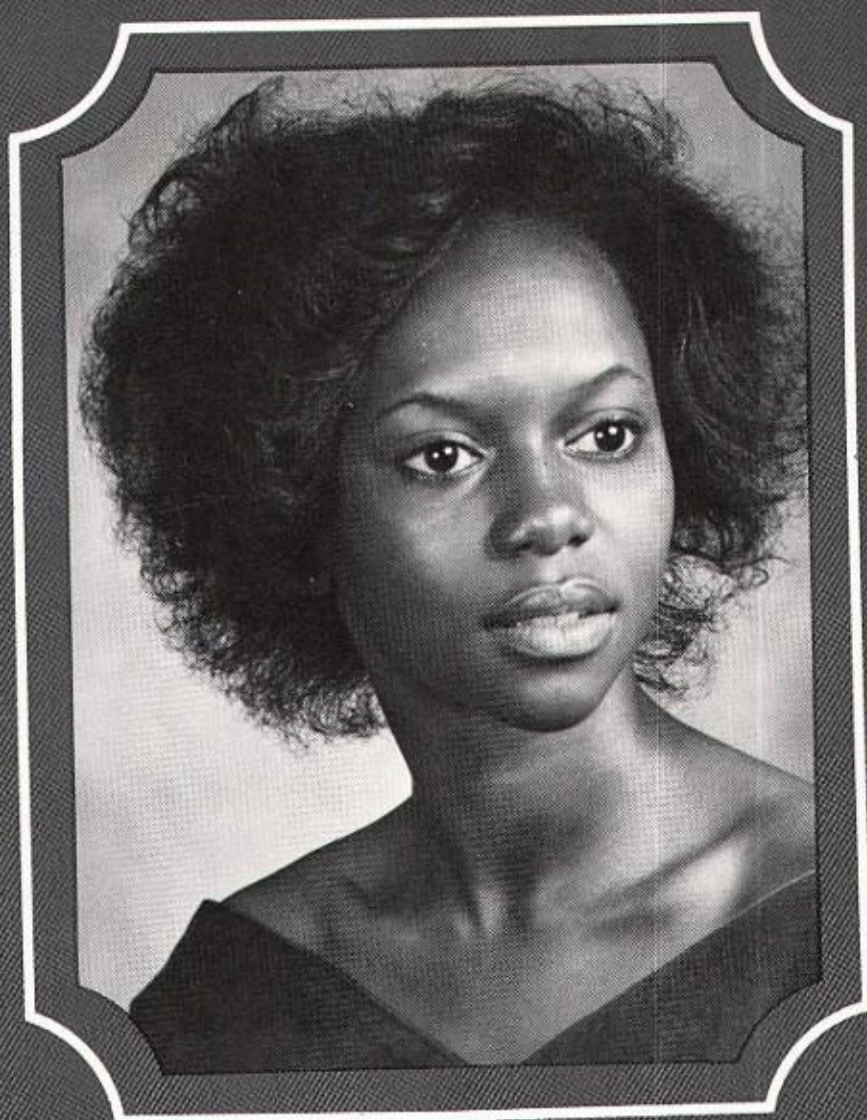

Fox-Mar (Ira and Mark) — Our wonderful and dear photographers
who finally got the job done with just a little persuasion from
the staff.

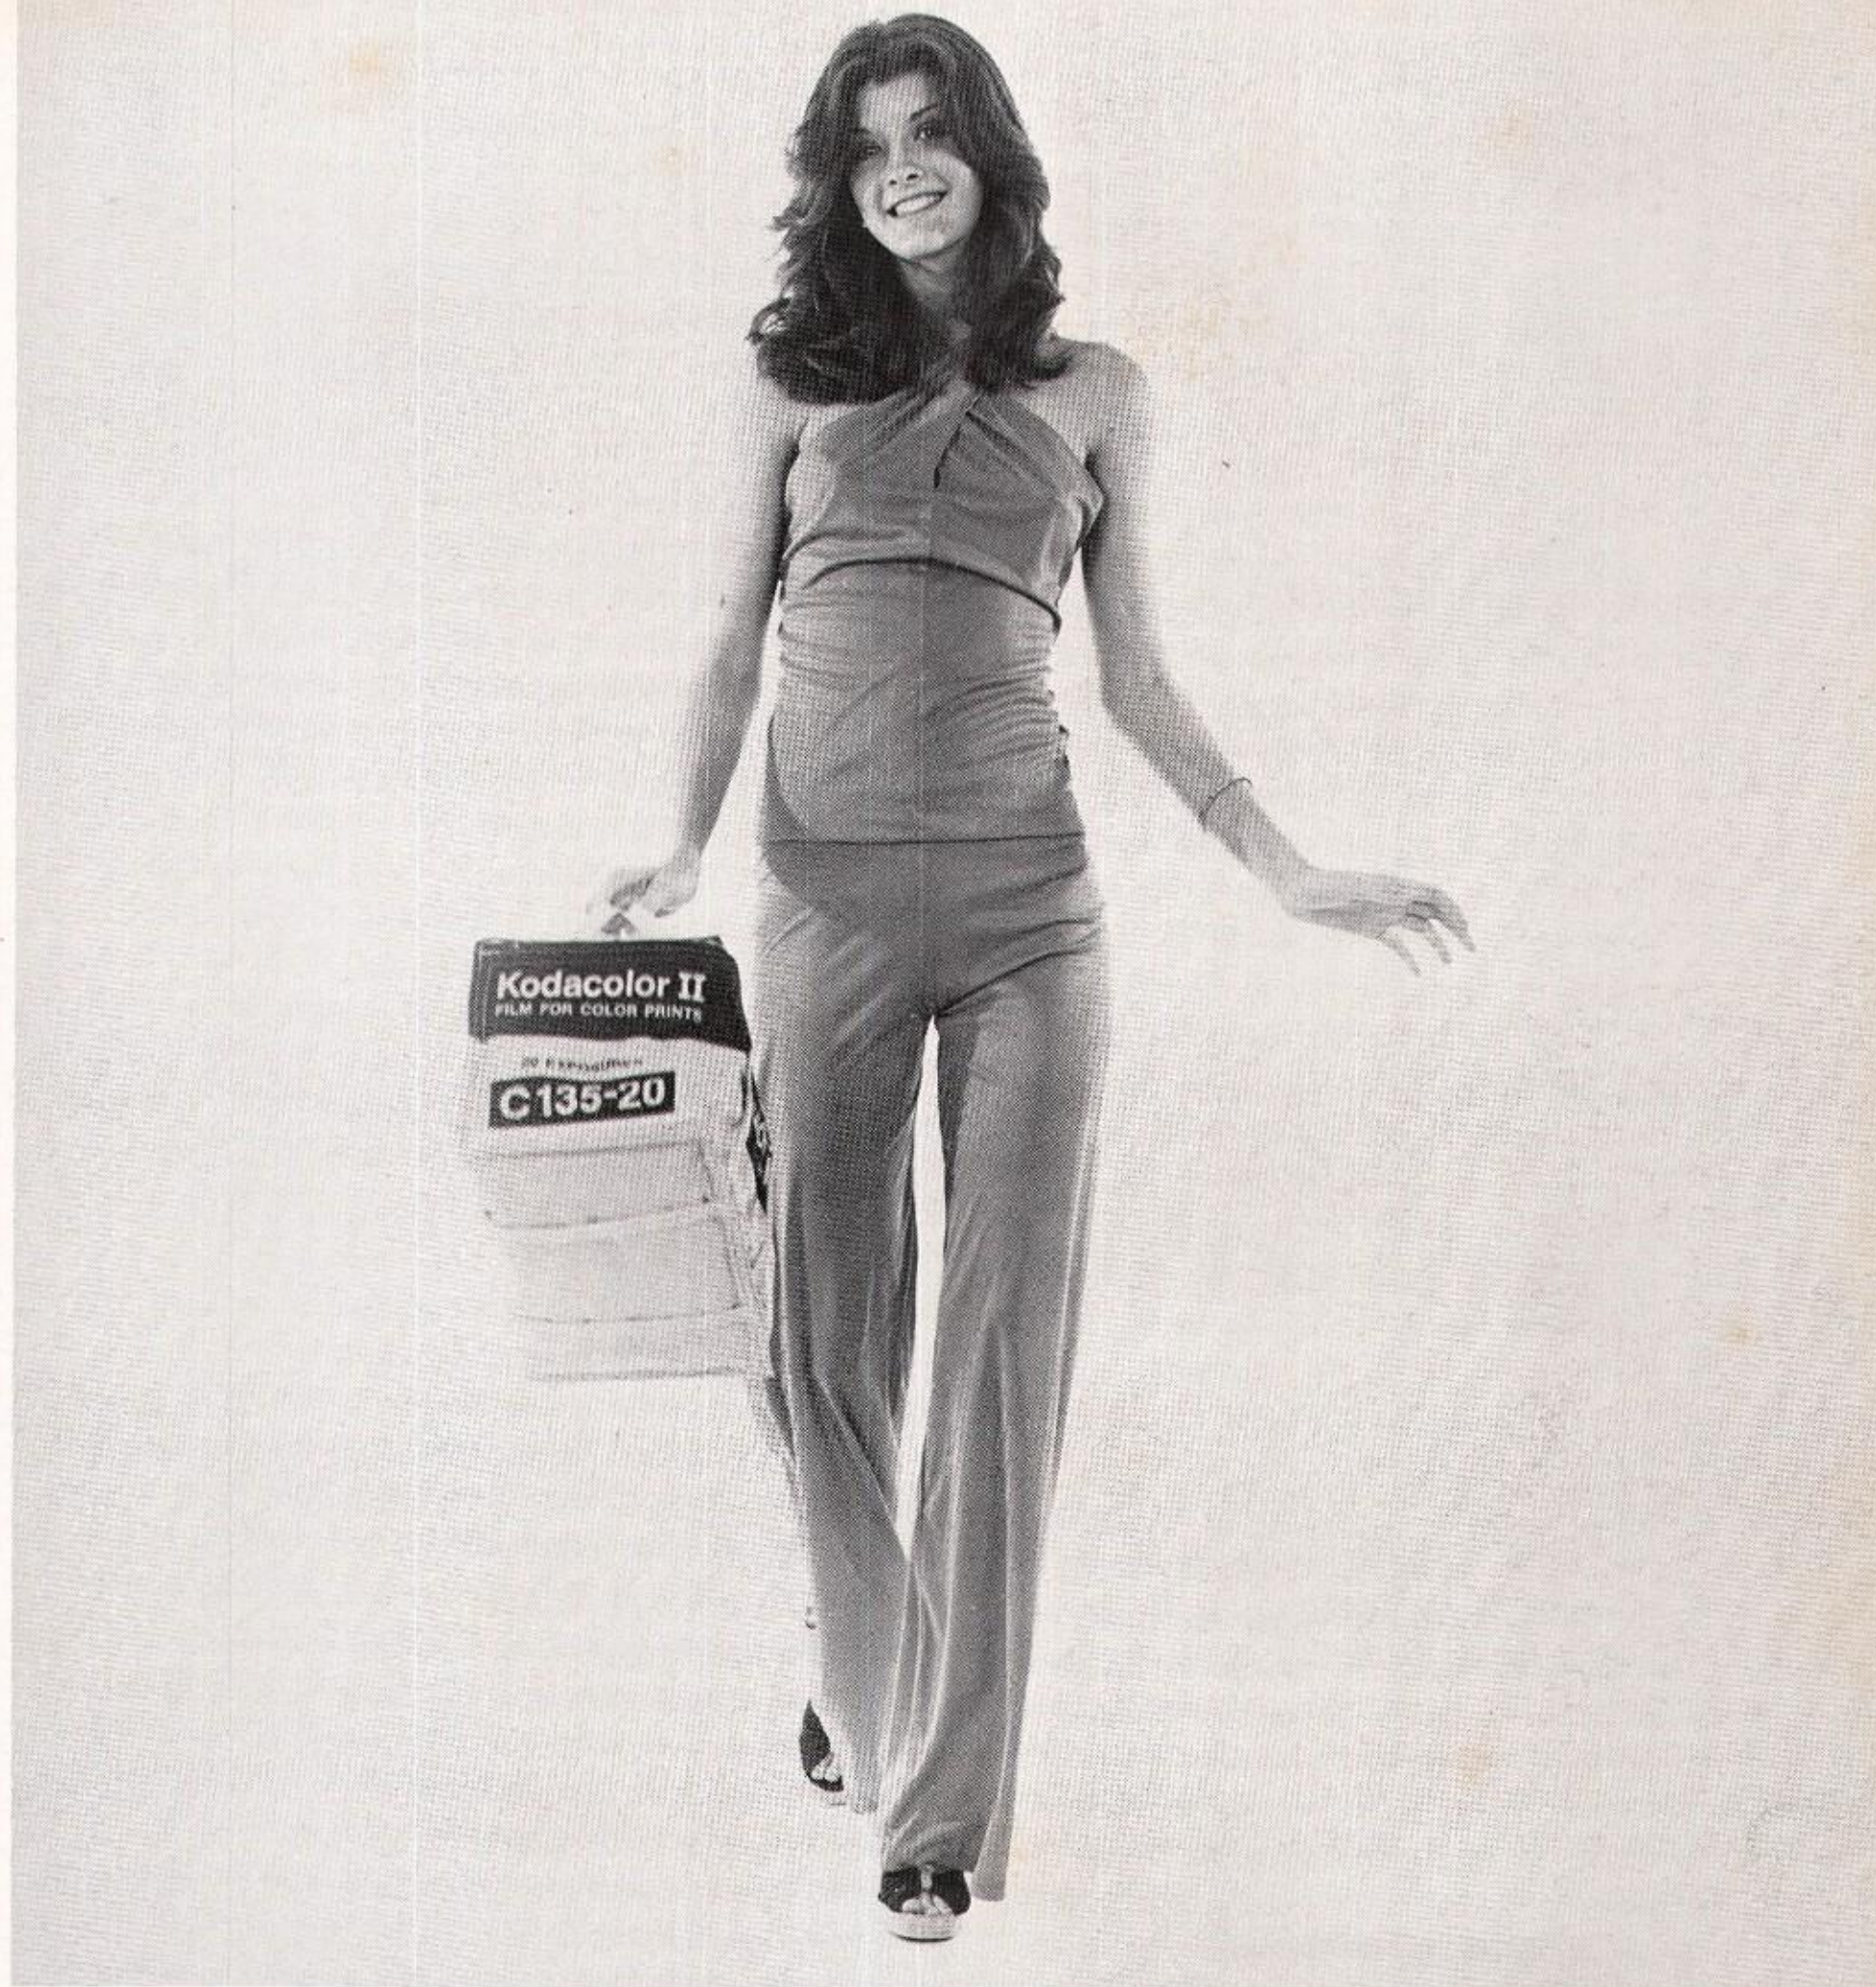

Jenny Linton — The talented young lady who designed the cover.
Special thanks to the activities directors, club sponsors,
coaches and Ms. Friberg, who took many last minute photos
for the yearbook.

Keys Printing Company — To all those talented people who helped
us put it all together.

'76 Yearbook Staff — The most unique staff there is. Though
there were a lot of headaches and frustration, they always
managed to get the job done.

This book carries many fond memories for me, and I hope
for you it also carries many memories which will last forever!

To Miss Karen Minter:
(Cool Slim)

I hope that this year won't be our last year together, I'm hoping that I will be able to enjoy you warm & kind friendship another year. But if we don't see each other next year or any other year you can always turn to page 319 and remember the "Good ole days in Miss Poole's 3rd per Class. We were always clowning around with people. But really we were just making use of the time. Remember how much fun we use to have cracking on Joanne Scott or any body else. And Pearl, because she used to have so many boy friends she couldn't eve count them on her fingers & toes. Now Joyce who was so crazy that she couldn't take off her clothes without pulling down her pants. Joyce who I bet will always be crazy. How me I just like to laugh alot. **United to Protect,** But ~~one~~ one day I stop laughing & get serious & start acting my age. So that all who made our P.E. class ~~fun~~ fun. So

Stay Not Combined to Injure
Sweet and you better get ~~big~~ before
